

Experience the beauty of Todos Santos —  
*El Pueblo Magico.*

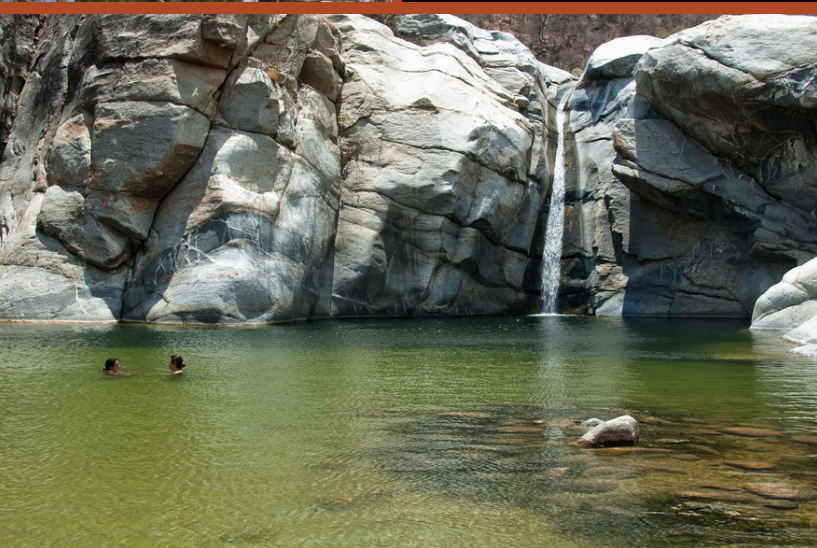

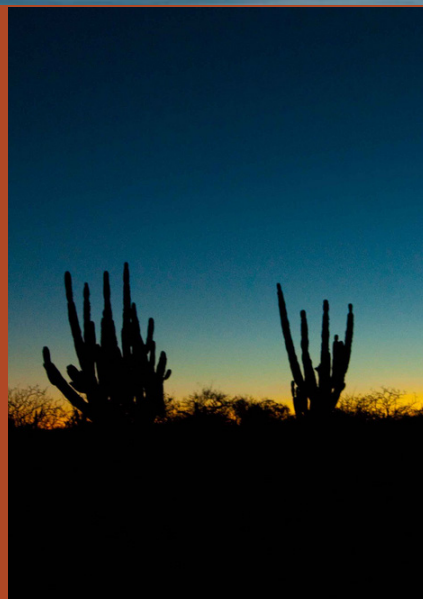

**CalyCanto is pleased to offer EcoTour Packages in Todos Santos.**

Meet the locals. Discover the natural, cultural and culinary delights as you step back in time in a true Mexican oasis.

**B**aja California Sur was once an island and is a natural wonder, with an ecosystem unlike anywhere on the planet. With what Jacques Cousteau described as the “Aquarium to the World” (the Sea of Cortez) on one side and the Pacific Ocean on the other, the area has a very high rate of endemism in both plants and wildlife. Our guides have lived in Baja for over a decade and are certified Wilderness First Responders, each very knowledgeable about local history, flora, fauna. They are all great story tellers who love sharing their home town with visitors to the area. We’ve found that the most important aspect of a successful adventure is having fun people with whom to spend a few days adventuring.

We can arrange guides who are not only experienced riders, but also avid birders and naturalists who enjoy sharing their local knowledge. Morning and sunset rides are available for riders of all skill levels. 1 hour riding. About 1.5 hours. Picnic lunch on beach.

### Swimming with the Sea Lions

A truly incredible experience, snorkeling and playing with the sea lion pups at the permanent sea lion colony of Los Islotes. Includes guide, lunch, all gear and transportation. 90 minutes drive each way to/from La Paz.

### Trip to San Vicente/Visit Mountain Potters

This is a fantastic opportunity to experience the traditional way of life of the mountain ranchers in Baja. We'll meet local potters in a true mountain oasis, and learn how Baja Californians have carved their homes and livings out of the mountains for centuries. Doña Ramona will give us a pottery class while sharing her ranching way of life. Her family will prepare an incredibly delicious ranch lunch for us, and will give us a tortilla-making lesson just before dining. Driving is 90 minutes roundtrip.

### Scuba Diving or Snorkeling with Whale Sharks (\$75 surcharge) (Sept to Jan)

If you have ever dreamed of swimming with a giant from another era, this is a once in a lifetime opportunity to swim with the largest fish in the world. Whale sharks are rare, elusive and magnificent creatures. There are only four locations in the world where Whale Sharks are known to return reliably each year. To locate the whale sharks in the Sea of Cortez we use a spotter plane. For those who are not divers they can also go on the boat to do some snorkeling. The trip includes two to three dives, depending on weather conditions. Lunch on board.

## LIST B

### Desert Triple Waterfall Adventure

Hike through incredible desert canyon featuring 3 waterfalls and fantastic desert scenery. 4 hours roundtrip, 2.5 hours walking. Picnic lunch at waterfall.

### Mexican Cooking Lessons with Local Chef

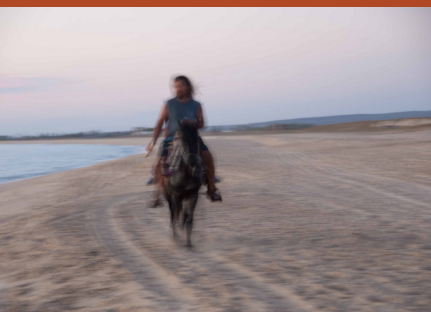

First, learn to make a great margarita. Second, pay attention, because you have to eat what you make! Mucho music, margaritas and great Mexican food!
